IMMIGRATION , RECRUITMENT AND SETTLEMENT

*A Division of GreenTech Resources, Canada*

## Solving Your Recruitment Issues with Proactive Solutions

## OUR MISSION

Greentech Resources Ltd is a Saskatchewan licensed foreign worker recruitment agency committed to the development of extensive recruitment networking. We thrive at outsourcing from a vast candidate pool of international skilled workers from within Canada and across the world

[www.greentechresources.com/farming](http://www.greentechresources.com/farming)

## OUR VISION

We understand the challenges of recruiting workers and the cost of frequent hiring and short-term training procedures. Ultimately, our goal as a recruitment agency is to shift the your burden away, thus saving valued time to focus on your business

---

## OUR VALUE

---

We are committed to help employers in:

- ☑ Growing your business with qualified employees
- ☑ Saving resources in recruiting but still maintaining the staffing needs
- ☑ Achieving business longevity from long-term commitment from the employees
- ☑ Focusing on competitive development while decreasing hiring and training process

---
